Trusting God to Build Our Ministry

A Note from *Home*

God is the master builder. Evidence of His craftsmanship abounds in the beauty of His world. Evidence abounds in His Word, inspired by His Spirit, which reveals His redemptive plan. By His grace, God invites His people to join in His work, to take part in what He is building!

God has used unexpected people and unforeseen circumstances to build BSF's story. And today, He is using you and me to continue His work. You are part of BSF's history, and you are part of our future.

Thanks be to God, who moves hearts to come, to serve, to lead, and to give.

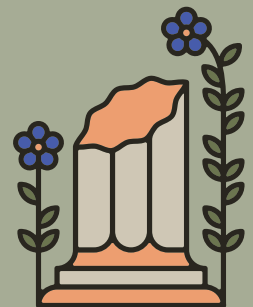

②

Building on God's Word

A Look Back at **Exile & Return**

Through this year's BSF study, God is changing lives, transforming families, and impacting communities worldwide. With growing study options and new leadership training opportunities, BSF is accessible to more people in more places than ever before.

Thank you for celebrating God's work with us!

Exile & Return at a Glance

John Is Growing Through an Online Group in Singapore.

“At the heart of it all, I see how God’s Word itself is shaping me. Just as Ezekiel and Daniel were transformed by God’s messages to them, I too am being reshaped by His Word—learning to love Him more deeply and to worship Him more fully. His Word is not just information; it is formation. It softens my heart, redirects my desires, and draws me into a posture of worship.”

Dee and Her Children Joined BSF in the US

“We joined Bible Study Fellowship after moving to a new state, hoping to find community during a season of transition. It has grown into a rich community for our family, deepening our relationships with one another and our understanding of God’s Word. I love that my children are learning the same Scripture, at age-appropriate levels. Hearing my toddlers sing BSF songs and talk about their leaders as friends is a constant reminder of how deeply this study is shaping our family.”

Global Membership

Making BSF More Accessible

Satellite Groups Bring BSF to More People, in More Places

“We have a new satellite men’s class that started with the *Exile & Return* study. Out of the 31 guys registered, 26 are brand new to BSF. The guys range in age from their early 20s to 70s. Without having the satellite structure, none of these guys would be coming to study God’s Word. Yay God!”

 **John, USA**

BSF Online Is Our Fastest Growing Study Option

“I was only able to join BSF when online classes started, as there was never a physical class near me. Beyond the study of the Word, I have been blown away by my global family in Christ. Studying with other women from China, USA, the UK, Kenya, India, Canada, Hong Kong, Russia ... Wow! It has really shown me that the Lord is truly a God of every nation, tribe, and tongue, and has cured a lot of misconceptions and prejudices I had about saints in other countries. Thank God for online BSF.”

 **Tamisayi, South Africa**

WordGo Helps Members Stay in God's Word During the BSF Break

“Myself and 10 other ladies from Accra, Ghana, are studying the book of Ezekiel on WordGo, doing the discussions on Zoom, and we are enjoying every bit of it. The lessons make us look forward to the next study. We are learning that God is just and He also promises a restoration plan. Indeed, there’s hope for the hopeless!”

Reaching New People

 Beatrice, Kenya

Beatrice Discovered Community Through a Women's Group in Kenya

For Beatrice, BSF is more than just a Bible study. Beatrice's group has become like a family. After spending several years in prison, Beatrice rejoined her community as a new creation in Christ. But she struggled to find women who were willing to help her grow. Then she discovered BSF.

"When I first heard about the *Exile and Return* study, I was very emotional. I said to myself, this study is about me. Prison was my exile. I was in a foreign land, away from my family, with nobody visiting me. I lost everything.

In prison I met God. I prayed a lot. I fasted. I used to pray in the night when everybody was sleeping. I used to talk to God and cry. God never left me there.

When I came out, my return was not easy. I had to start again from scratch. Healing does

not take one day. But God brought me out, and I am here today because of God's grace."

Today, with the help of her BSF sisters in Christ, Beatrice is starting a ministry to help children and parents who have been separated by adversity. As God continues to transform Beatrice through in-depth Bible study, He is using her story to help transform the lives of others.

"When I first heard about the Exile and Return study, I was very emotional. I said to myself, this study is about me. Healing does not take one day. But God brought me out, and I am here today because of God's grace."

A New Generation of BSF Leaders

 Becky, Australia

Online Leader's Meetings Make New Groups Possible in More Languages

When Becky moved to Australia from Hong Kong, she felt isolated and alone. Without a Cantonese-speaking community, Becky struggled to find meaningful relationships. “I felt the cultural impact. I just couldn’t adjust. And at that time, I didn’t have God in my life.”

Struggling through loneliness as a stay-at-home mom, Becky battled seasons of deep depression. Then a neighbor told her about BSF.

“I still remember that first lesson. I couldn’t control my tears. For years I felt like I wasn’t good enough, but God answered me. The world is teaching us so many distorted ideas. In BSF, through the Bible, I found truth.”

Becky’s early years in Australia helped her develop a deep compassion for a growing community of Chinese-speaking women

immigrating to Australia—women who immigrate from Chinese-speaking countries. Today, she serves as a BSF Group Leader in a recently-formed Cantonese Discussion Group.

“Sharing about our faith in our own language is another level of sharing. We may be able to have everyday conversations in English, but it’s hard to express ourselves. BSF gives us a place to share deeply and personally.”

By attending a Leader’s Meeting online, Becky is bringing in-depth Bible study to women who desperately need the hope of God’s Word. As part of a growing Cantonese-speaking audience, BSF is more accessible for women like Becky. Today, we support more Cantonese-speaking groups—making BSF more accessible than ever before!

“Sharing ... in our own language is another level of sharing. BSF gives us a place to share deeply and personally.”

③ Building on Our Foundation

Celebrating God's Provision and Your Partnership

Through your prayer, commitment, and generosity, Bible Study Fellowship continues to magnify God and mature His people worldwide. As we depend on God's provision, we want to celebrate His work through your partnership.

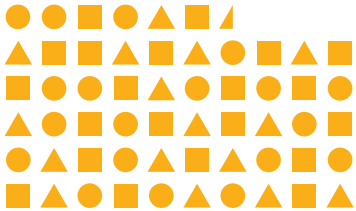

Thank you for helping to make BSF possible. Together, we are advancing God's Word and mobilizing His people to impact His world.

Why Your Partnership Matters

Advancing His Word

Increased Technology Efforts

As online meetings and satellite groups grew, we strengthened our technology to better equip leaders and serve members through MyBSF and BSF Online. We are looking forward to introducing a new BSF app to make materials even more accessible.

Delivering Resources in Hard-to-Reach Places

From prisons to remote regions and restricted nations, we found new ways to deliver much-needed BSF resources where they are needed most.

Expanding Translation

As BSF grew worldwide, we advanced translation efforts with new systems—bringing Scripture to more people with greater clarity and care.

Mobilizing His People

2025 Global Summit

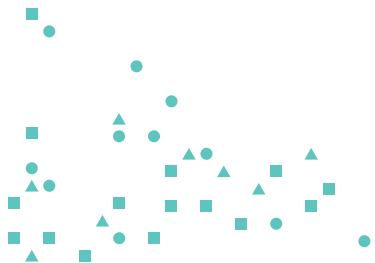

This year's Global Summit focused on equipping and training BSF Online Leaders. As our fastest growing study model, these leaders are vital to reaching more people in more places worldwide.

Increasing Volunteer Efforts

As part of our new volunteer initiative, 83 volunteers shared their time and expertise in member support, IT, and at the HQ facility. We are excited introduce more volunteer opportunities in 2026!

Protecting the Next Generation

We strengthened safety measures for our children's program, investing in protection because every child in our care matters.

Advancing His Word and Mobilizing His People to Impact His World

 Sandra, USA

How BSF Leadership Training Lasts a Lifetime

Behind every strategic initiative is a heart to serve members and leaders who are impacting God's world daily. When Sandra was asked to become a Children's Leader, she felt completely unprepared. But through BSF training, Sandra not only discovered a love for leading the next generation but a lifetime commitment to teach and train others. Today, Sandra volunteers as an Online Trainer, equipping the next generation of BSF leaders.

"BSF leadership has trained me in everything important in my life. BSF never asks you to do something they haven't trained you to do. Years ago, my Teaching Leader shared, 'We see in you a teaching gift that

would be very valuable to our preschool program.' In two years, at age 30, I realized that this was what I was born to do—teach the Bible, with songs and puppets, in a circle on the floor. God equips those He calls, and He wastes nothing you go through. More recently, I realized that God wasn't done with me yet. I could still lead in the cause of Christ in the world! And I could do it with passion. The sincerity of training in a worldwide organization is amazing ... miraculous ... something only God of all the 'omnis' could bring about."

Celebrating God's Work Through You

Growing in God

"I am so grateful to have been blessed to be a part of the BSF Family. I have learned a great deal since being a member. God is real to me even more! Thank God for BSF family!!! I look forward to continuous learning daily!"

Sonya, Unites States

Connected in Christ

"The studies not only enlighten me, but they also encourage me to be part of a larger body of Christ where distance is not a barrier. May God continue to bless everyone involved."

Hezron, Malawi

Seeing God's Story

"I am absolutely loving this study! It brings so many 'bits and pieces' I have learned through the years into a cohesive story and highlights God's sovereignty all along the way."

Judith, United States

Living With Courage

"The *Exile and Return* Bible study has been rewarding and has developed my walk with God in a more consistent way. This Bible study through BSF is showing me that and giving me courage to live in all parts of my life that the Lord has given me."

Tom, United States

④ Building The Future Together

Advancing God's Word and Mobilizing God's People to Impact His World

BSF is reaching more than 500,000 men, women, and children worldwide. Through new initiatives, we are finding creative ways to reach new people, places, and leaders. Together, we are making BSF more accessible for those who need it most!

Thank you for building BSF's future with us.

Building for BSF's Future

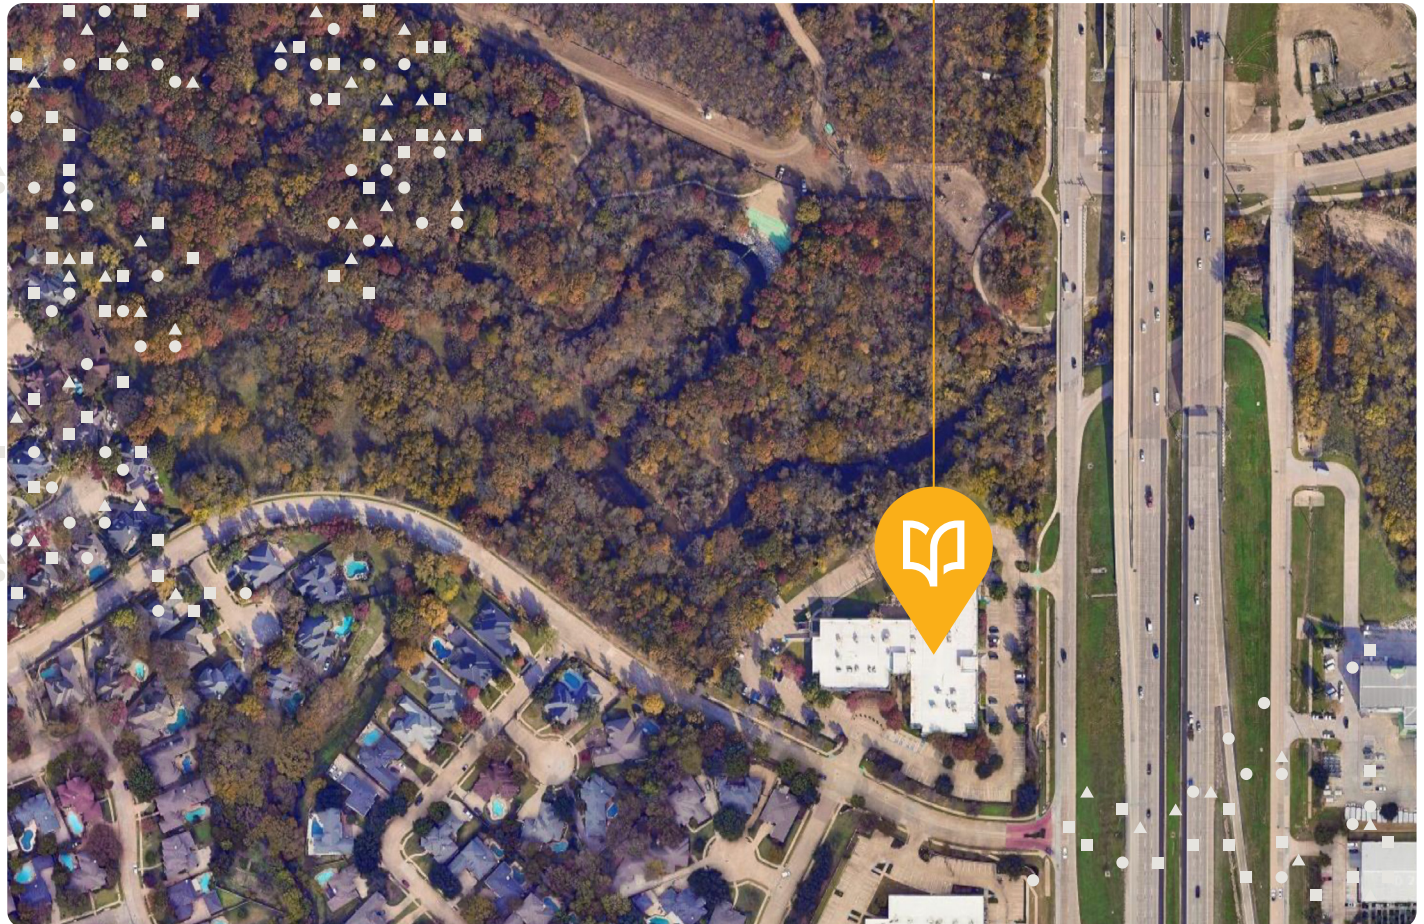

For more than 65 years, God has used BSF to advance His Word and mobilize His people to impact His world. Today, our mission remains unchanged: to magnify God and mature His people.

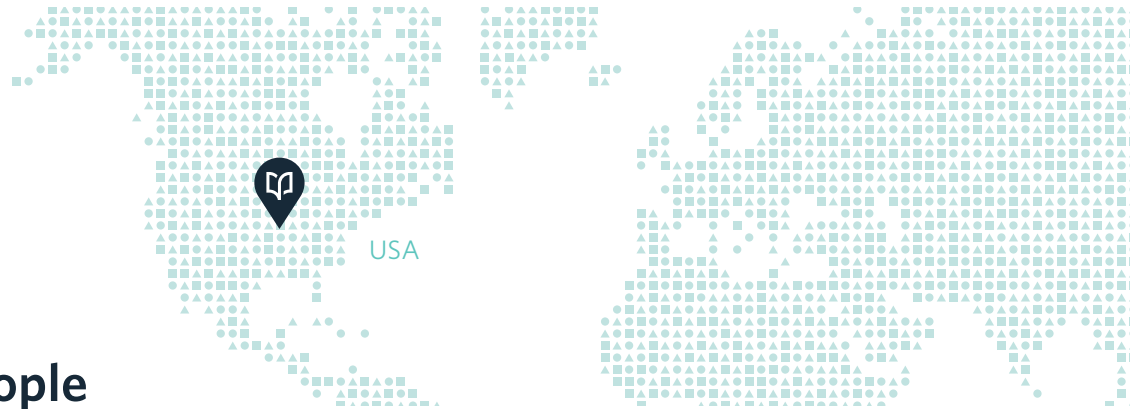

As we look toward BSF's future, we are investing in future generations of BSF members and leaders who will carry God's Word into their families, workplaces, and communities. In an important step to reach more people with in-depth Bible study, BSF Headquarters is moving to the Dallas/Fort Worth area. This new ministry home will allow us to equip more leaders, steward resources wisely, and extend in-depth Bible study to new places and new generations.

Thank you for joining us in prayer as we take next steps, trusting God to multiply His work for generations to come.

BSF's New Headquarters

Grapevine, TX
Coming in 2027

A Strategic Step To Mobilize God's People

 Christine, USA

In May 2025, we launched a brand new WordGo app! By prioritizing group features and group guide training, the new WordGo app is mobilizing BSF members and others to share God's Word with friends and family. WordGo allows us to reach beyond our current BSF community by sharing in-depth Bible study in new ways.

"I've really been loving the WordGo Bible study app. I use it with a few friends, and it's been an easy, meaningful way for us to stay connected while growing in Scripture together. Everything constantly points you back to the Bible—it's not just opinions or focused on commentary but rooted in the actual Word of God.

"I also love that we can interact, share notes, and talk through what we're learning on the actual questions. It makes studying feel more personal and less like something you are doing alone. The studies come in different lengths and depths, making consistency easy. It's been a great support for my own quiet time and for staying connected with friends in faith."

3 Ways to Partner with BSF

①

Pray

Imagine the impact of our entire BSF family worldwide united in prayer.

Through our prayer calendar and monthly prayer emails, you can join our Headquarters Staff and thousands of BSF members worldwide in praying for BSF.

[Pray with Us Each Month](#)

②

Volunteer

Through opportunities in class or with Headquarters Staff, you can join thousands of volunteers who make BSF possible.

By sharing your time and gifts, you help others encounter God's Word and experience life-changing transformation. To volunteer in class, talk to your Group Leader or Class Staff. To volunteer with BSF Headquarters, learn more at bsfinternational.org.

[Join Our Volunteer List](#)

③

Give

Through your generosity, you partner with thousands of donors around the world to equip leaders, create resources, and extend the impact of God's Word.

Each gift empowers more people to encounter God's Word through in-depth Bible study.

Celebrating God's Work Through You

Transformed Day by Day

"God is truly transforming me, especially in the BSF study. I know that trusting in Him completely is impossible for me, but through the Holy Spirit in me I am being transformed day by day. Thanks be to God!"

Butch, United States

Growing Together in Christ

"I have been in BSF for several years, but now we have our discussion in the Greek language, and several of my friends joined. We are so thankful to our Lord that our group has grown from 10 to 20! I thank those who make BSF possible for helping us to grow in the Lord and bring others to hear and live for our God daily."

Maria, Greece

Faith Beyond Sight

"The Word of God encourages me to keep trusting Him even when I don't seem to see Him in the picture. I am encouraged to serve God."

Moureen, Uganda

Life Changed Forever

"BSF fed me spiritually and it changed my life, my marriage, my mothering, and it saved me from a life apart from Him. Thank you for bringing God's words to everyone who will listen."

Nancy, United States

Strength for the Weary

"BSF and my wonderful leader, who has been a prayer warrior for me these past years, have carried me through many difficulties. It was just what my weary soul needed as a reminder."

Karol, United States

Thank you for your continued generosity
and partnership with Bible Study Fellowship.

To God be the glory!
